

Using your Flat Wom-Bot

1. Cut out the Wom-Bots (laminated wom-bots can be reused)
2. Draw an arrow from the list of choices in each box (maximum 15 steps)
3. Push the wom-bot along the floor or on the mat or maze to follow the arrow instructions

Each forward or backward movement should be the length of the Wom-Bot. Each turn should be a 90 degree turn on the spot
